The Magic Presence

TALK BY MR. G.W. BALLARD

July, 1938

THIS TRUTH, LOVE, AND HARMONY

Beloved Ones everywhere, everything that generates discord in your feelings is just depriving you of the Freedom and limitless Supply of money that your Heart desires. It matters not, Beloved Ones, what the cause is. When and wherever discord manifests in your feelings, you are repelling everything from you and your world. It is not persons, places, or conditions; but it is a quality acting within your own self that matters to you. O Beloved Ones, could you only understand this tonight! With that Great, Firm Power and Determination of your "Mighty I AM Presence," you would stand forth free as you awaken in the morning. Therefore, I plead with you, make the effort. It's not because we say so, but because it is the Law of Life that we're so humbly endeavoring to convey to you.

Beloved Ones, do you not see? Why do we plead for mankind? There is nothing that can come to us but Happiness. We seek nothing else. We ask not a dime from any human being on Earth, and we ask only mankind love and adore their own "God Presence" and have the full Power and Glory which It will release into their feeling world and their outer world of activity. It is not as if we were asking mankind to do something for us. God, the "Mighty I AM Presence" has done everything for us. And you, Beloved Students, how glorious and wondrous you are and have been!

I think of our beloved ones of Los Angeles who have made it possible, financially and otherwise, to go places where there was not the release to carry on this Teaching. Yet these great and beloved ones here have with their generosity, made it possible to go on and on and on, regardless. Therefore, Beloved Ones today, and the Beloved Ones from everywhere in America, I want you to know our Eternal Gratitude, Saint Germain's Eternal Gratitude, the Ascended Masters' Eternal Gratitude that mankind has been willing to give their attention to Them, that They might help them to have a greater understanding. And in Its simplicity and Majesty of Power, anyone—a child may apply It. Therefore, mankind is not subject to these conditions any longer. We have set ourselves free, Beloved Ones, financially and in every other way; and therefore you can do the same thing. Beloved Ones, our home—all we have in the world is yours. Our home is where our hat's off. (applause)

Beloved Ones, do you know—let us be just real chummy for a few minutes and understand, Beloved Ones. What am I doing now? While I am talking to you, I am giving to you my Life with all the earnestness of my being, to help you

to understand, to comprehend the Laws of your own Life, that you may call It into action to have Its Freedom which It holds for you. And what a Great Outpouring! My Life is not limited. My Life is there—the Fullness of the Eternal Glory of Life. It is not limited. There is no exhaustion there for you. There is only the Outpouring of that Great Light and Power of God, the "Mighty I AM," which is giving that Life to you. Do you think you are separate from me? No. You might seem to be. You have a physical body. So do I; but in the feeling world, all feeling world is one, according to the qualities manifesting there. Therefore, My Life is your Life. Your Life is mine. And how do we explain it in the most magnificent manner on Earth? By the outpouring of Divine Love and Blessings—that's how we are exchanging our Life, giving each other courage and strength.

O Beloved Ones, please don't ever again say an unkind word to one who is in distress. Don't feel an unkind feeling; but just in the great Glory of your ability to call your own "Great God Presence" into action to bless them, give the Blessing. How can you know how great is the need of your fellowman moving about near you? The human does not know, yet the feeling will tell you if you listen to it. How many times I have moved beside individuals and felt the great need, and by the great, calm Outpouring, enfolded that one in the Presence of Life and saw the change upon their face and the courage and strength that filled their feeling world, that they might go on to Victory. Therefore I say to you, do not withhold for a moment your ability, your Call to the "Presence" to assist another who might be in need.

Oh! Dear Hearts, I want you to understand, Beloved Students of Los Angeles, how we should love to be with

you as often as we used to; but the demand is so great, we cannot do it. As long as we're functioning in the physical activities of the world, we must give our Power and Life to the "Great Presence" and to the Work required. You may not realize it—we do—the imperative need of today. While when we came before, we had time to visit your Groups—and I love it, how I love it—but this time it was not possible. Therefore, Beloved Ones, if I can't be with you, please don't fail to love me. (applause) How I love you, Beloved Ones!
